SUMMARY

I am Rohit Ravi, a dedicated frontend developer with a strong foundation in HTML, CSS, and JavaScript. I possess hands-on experience with modern frameworks like React, along with backend knowledge in PHP and MySQL. My expertise also extends to languages such as C++ and Java. With a certification in Big Data and Hadoop Development, I bring a unique blend of frontend and data skills. I am passionate about creating seamless user experiences and am actively seeking opportunities to contribute my skills to a dynamic team.

TECHNICAL SKILLS

Programming Languages: HTML, CSS, JavaScript, MySql, C++, Java, Python

Developer Tools: VS code, Sublime text

Technologies & Framework: Linux, React, NodeJs, Git, Github, Hadoop : Hive, MapReduce

PROJECTS

My Portfolio

Web Development Project

HTML, CSS, JavaScript

- Developed a comprehensive portfolio project utilizing HTML, CSS, and JavaScript to showcase my skills and projects.
- Demonstrated proficiency in frontend development by creating a responsive and visually appealing user interface.
- Successfully hosted the portfolio online, ensuring accessibility and ease of navigation for potential employers and clients.
